

Changed connection on compressor outlet

Please note :

If one of the following old OE or manufacturer references (picture 1) **03L145702A, 03L145702H** or **53039700133, 53039880133** or the old version of muffler is installed (picture 3), a muffler kit **D950072** (picture 4) has to be used additionally, in order to install the new turbocharger **T915412** (picture 2) 53039880190, 03L145701D!

If any of the following OE or manufacturer references are installed, the old muffler can be used: 03L145701, 03L145702D or 53039700140, 53039880140.

Please still check the old muffler for any damages or dirt contamination. If necessary, D950072 may be used as a suiting spare part.
