Cylinder head gasket VW  
Crafter / Amarok 2.0 TDI  
10195900-10220400

## PURPOSE

Inform the customer about the differences between cylinder head gaskets ref: 10195900 and 10220400 depending on the manufacturing year.

## DESCRIPTION

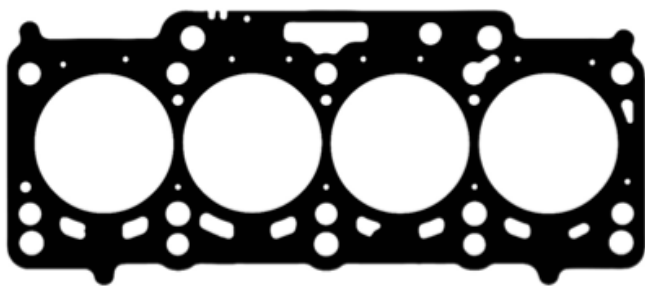

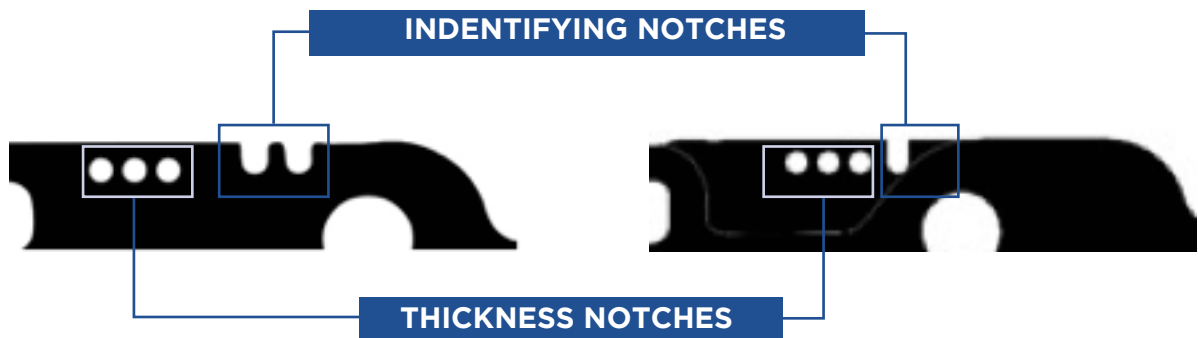

The 2.0 TDI engines mounted in VW Crafter and Amarok vehicles, has experimented a change in the cylinder head gasket reference in October 2013, substituting the old reference 10195900 to 10220400.

In the following table we indicate the involved vehicles:

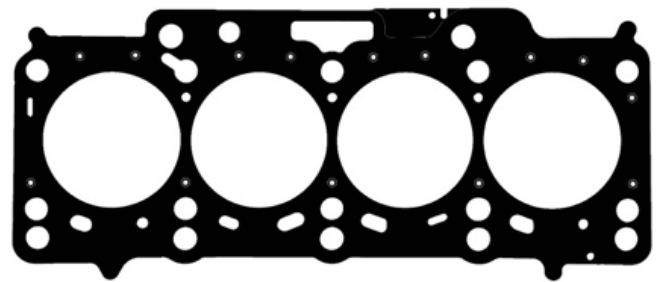

MODEL	ENGINE TYPE	ENGINE POWER (CV)	MANUFACTURING YEAR	CYLINDER HEAD GASKET	
				UNTIL 10-2013	SINCE 11-2013
CRAFTER	CKTB	109	05.11 - 12.16	10195900	10220400
	CKTC	136	05.11 - 12.16		
	CKUC	142	10.11 - 12.16		
	CKUB	163	07.11 - 12.16		
	CSNA	163	07.11 - 12.16		
AMAROK	CNFA	122	09.10 -		
	CNFB	140	07.12 -		
	CNEA	180	11.11 -		
	CSHA	180	11.11 -		

On the replacement of the cylinder head gasket, it must be **taken special care in selecting the correct gasket** according to the manufacturing date of the vehicle.

If the manufacturing date is not clear, it's also possible to identify the correct gasket that must be installed by observing the identifying notches of the old one.
