WOLF RACING
TRANS 75W-140 ESTER

25/09/2026
65520

This is a full synthetic Extreme Pressure high performance gearbox and transaxle lubricant, enriched with ester, for racing vehicles offering an excellent anti-wear protection, a better resistance at high temperatures and a longer oil life time. It is blue colored.

APPLICATIONS

This lubricant can be used in gearboxes, transaxles and differentials with or without limited slip of racing vehicles.

FEATURES

Anti-wear protection: long component life
Oil life durability: high level of thermal and oxidation stability
