Switches and Control Panels by SKV

Product Advantages

SKV's Product Range.

Our range includes over **800 models of switches, control panels, and levers, from single switches to complex panels.** The products are available in various colors and are perfectly matched to each vehicle.

Switches, control panels, and levers are essential components in any vehicle. They manage various functions such as **lighting, climate control, window operation, and mirror adjustment.** These components give the driver complete control over the vehicle and allow for easy customization of settings to suit individual needs.

Based on their construction and purpose, products in this category can be divided into **3 main categories:**

1

SINGLE BUTTONS

With button cover, e.g., [37SKV116](#)

With button cover, e.g., [37SKV018](#)

2

INTEGRATED PANELS

With frame, e.g., [37SKV070](#)

Without frame, e.g., [37SKV019](#)

3

STEERING COLUMN SWITCHES

Single, e.g., [36SKV032](#)

Double, e.g., [38SKV506](#)

Integrated, e.g., [95SKV600](#)

The packaging & warranty details

3 YEAR WARRANTY

The SKV brand offers an extended, **FREE 3-year warranty on switches**, with no mileage limit and no product registration required. This warranty provides users with unrestricted protection coverage for the entire duration.

THE PACKAGING

To ensure superb safety during transport, the SKV switches are packed not only in a cardboard box but also in genuine foil. Aesthetic packaging contains crucial information from the point of view of both the seller and the buyer, such as a barcode (the EAN-13 code), product name, symbol, and hologram.

THE PRODUCT MARKING

Additionally, the product itself is marked with an SKV logo along with the part and production batch number.

The structure of the parts index for the SKV brand.

21 SKV 004

↓ ↓ ↓
Category number Manufacturer code Product number

The product numbering system includes a description of the product group and subsequent product items within that group, making it easier to use SKV symbols and **reducing the risk of errors.**
