

MEYLE PD: Advanced performance and design.
Taking brakes to the next level

Brilliant appearance ✓

- Modern cutting edge coating technology for long lasting anticorrosion protection

No degreasing ✓

- No degreasing needed due to high-grade finish

Outperforms ✓
highest quality standards:

- ECE R90 certified as required (for vehicles manufactured after 11/2016)
- 99% with locating screw

**Driving comfort** ✓

- Manufactured and tested to achieve the lowest of „disc thickness variation“ (DTV), concentricity and parallelism and thus prevent any vibrations
- Fine balancing eliminates imbalance and vibration

MEYLE PD: ✓

- 1200 discs and pads
- Individualized performance properties
- High end-consumer benefits

Advanced Design
and technology

Outperforms OE

Meets and
exceeds ECE R90

Tailored to drivers needs:
Sporty, comfortable, durable
